Leveraging Talent: The Power of Skills-Based Volunteering

September 10-12, 2019 at Stanford University | SSIRInstitute
Your One-Stop Shop for Skills-Based Volunteerism

Pro bono service is one of the fastest growing opportunities for organizations with capacity needs, with more than 70% of nonprofits believing that they can increase their impact with skills-based volunteering.

Capacity Commons is a new online and interactive resource to help you learn about and engage in pro bono projects that enhance your ability to achieve your mission.
SBV with Boys & Girls Clubs of America, Charles Schwab and Common Impact

A playbook featuring resources and tools for BGCA chapters to tackle:

- Tech infrastructure
- Strategic planning
- HR
- Revenue development
- Marketing
