TELLING A BETTER STORY TO OURSELVES AND THE WORLD
Political extremism involves two prime ingredients: an excessively simple diagnosis of the world’s ills and a conviction that there are identifiable villains back of it all...

Today, the outlook in the U.S. is that the business community is more trusted to lead the world into a better future.

Who will lead the world into a better future?

- Multinationals: 19
- Business: 18
- Government: 11
- NGOs: 9
- Media: 8
- None of the above: 35
The individuals in civil society feel disconnected from the institutions of civil society.
